

8th Grade Supply List

F.A. Day Middle School
21 Minot Place
Newtonville, MA 02460
617-559-9100

August 2010

Dear Emerald, Sage and Kiwi Team Families:

Welcome to the 8th grade. We began planning for the upcoming school year last spring. We are anxious to form a team with you that is built on mutual and self-respect, promotes a genuine sense of community, encourages both academic and personal growth, and is challenging and fun in the process.

Let's begin with the part that is challenging and (if you're like us) fun: joining thousands of other families in shopping for back to school items. If you are lucky enough to find a parking space at your favorite office supply store, this letter will help you purchase the items you will need as an 8th Grade student.

Required Items for Students

- 4 - one inch hardcover binders
- 4 sets of binders dividers
- Graph paper notebook
- Scientific solar powered calculator
- Ruler
- Pencils with latex free erasers
- Pens (blue and black) and another color of your choice for correcting
- Highlighters (at least 2 colors)
- Post-it notes
- Two journal notebooks
- Kleenex (1-2 boxes for classrooms)
- Colored pencils (1 box)

Team Wish List

(Helpful for use in our classrooms but not required)

- Disinfectant Wipes
- Hand Sanitizer
- Extra Kleenex
- Paper Towels
- 1 manual pencil sharpener (with a removable cover)

We hope you enjoy these last few weeks of summer, happy shopping, and we'll see you in September!

Sincerely,

Emerald, Sage and Kiwi Team Teachers
